

AFTER SCHOOL EXPLORERS 2023-24 - PROGRAM INFORMATION

THE PROGRAM

BHCP's After School Explorers is a daily after school program for children in the Blue and Green Classes. It is an outdoor program, meeting inside the Big Room for inclement weather only. Children are invited to explore nature, participate in on-going projects, and play on the playground together during this time.

The hours are 12:30-2pm. The program begins the week of October 2, 2023 and ends the week of May 20, 2024. Please note that the program will not be held on days the children are not in class or during the weeks of November 20 (Thanksgiving) or May 27 (last week of school).

ENROLLMENT

Enrollment numbers will determine how many days a week After School Explorers can be offered for the year. Registration is on an annual basis for each day of the week. **A minimum enrollment of four children is necessary to be able to offer the program on a given day.** Enrollment will be on a first-come first-serve basis. At this time, there is no guarantee of availability to "drop-ins" although they may be accepted on a limited basis once the weekly classes are established.

The link to the After School Explorers registration form is provided below. Once your form has been submitted, the office will issue an invoice for a non-refundable 50% deposit due by Thursday, May 25, 2023. **Enrollment numbers at that time will determine which days the program will be offered for the 2023-24 school year.** The remaining tuition will be due on September 1, 2023.

TUITION
